Arts award events

The Forge and Creative Partnerships Durham Sunderland are regional training license holders to deliver Arts Award¹ in the North East and we strongly support the implementation of it in our programmes!

We are hosting **FREE events** in your areas for you to find out more about this award and how to implement it in your setting as part of our information sessions to schools.

Whether you have heard a little or not a lot about Arts Award, we hope to provide you with real examples and information of this award in action and share and discuss how you might be able to kick start it in your school.

Please register your interest at enquiries@intheforge.com to come along to our events as places will be limited.
