

Arts Council England have been developing a series of new leaflets for the arts sector.

Visit: <http://www.artscouncil.org.uk/publications/index.php>

The leaflets are designed to help practitioners understand and engage with the following:

- Diploma in Creative Media: Supporting young people to learn about working in the arts.
- Creative Apprenticeships: Supporting the programme of young people into creative sector careers.
- Foundation Degree Using Foundation Degrees to meet higher level creative and technical skills shortages within the arts sector.
- Train to Gain: Supporting arts organisations to identify and access funding opportunities for training.
